

		I HONOUR God as the Creator - the one who is all goodness and all love.		I ENQUIRE what God wants me to do - his will for me.		I APOLO- GISE - for things I have done wrong. And forgive others, too		I REQUEST things I know others need - and the things I need myself.		I THANK God for being close to me. I TRUST him that he knows best.

		God has HIGH HOPES for me - in this world and the next!		God EN- COURAGES me. He's always ready to say "Well done!"		God ACCEPTS me as I am. I don't have to be 'good enough' to talk to Him.		God REMINDS me of His REQUIRE- MENTS - the right way to live.		God TRANS- FORMS me so I become more like Je- sus!
