

1. In the Beginning

Mother
Provides all the physical and emotional needs of the baby via the umbilical cord.

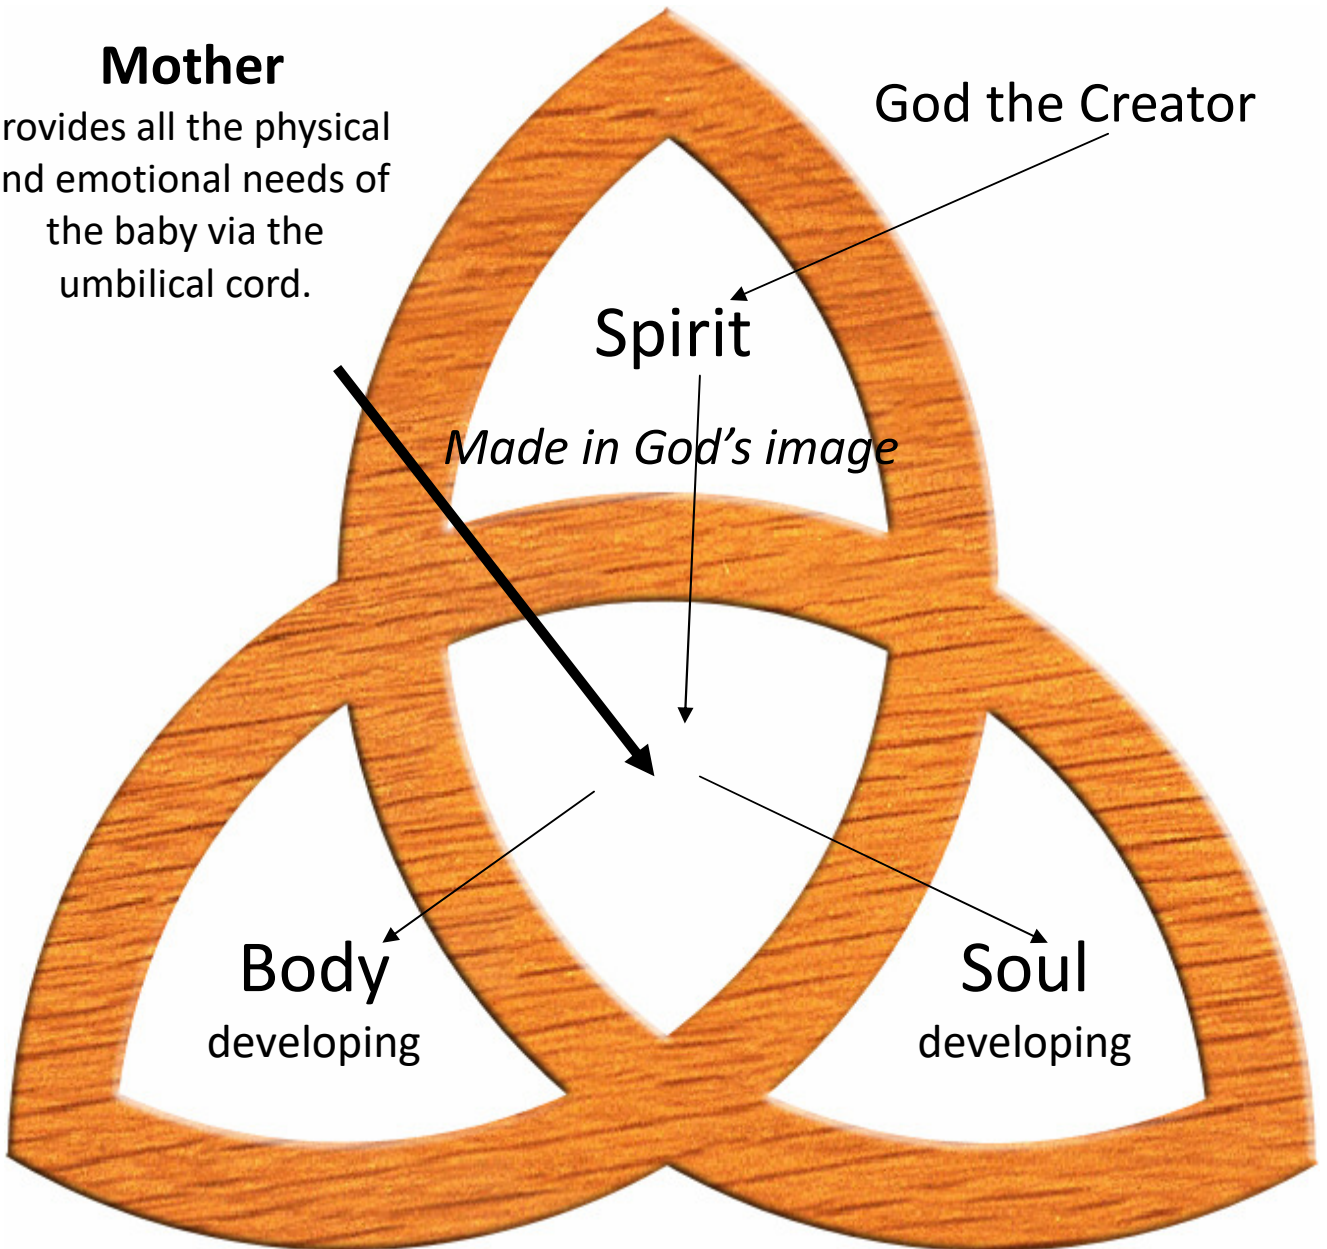

God the Creator

Spirit

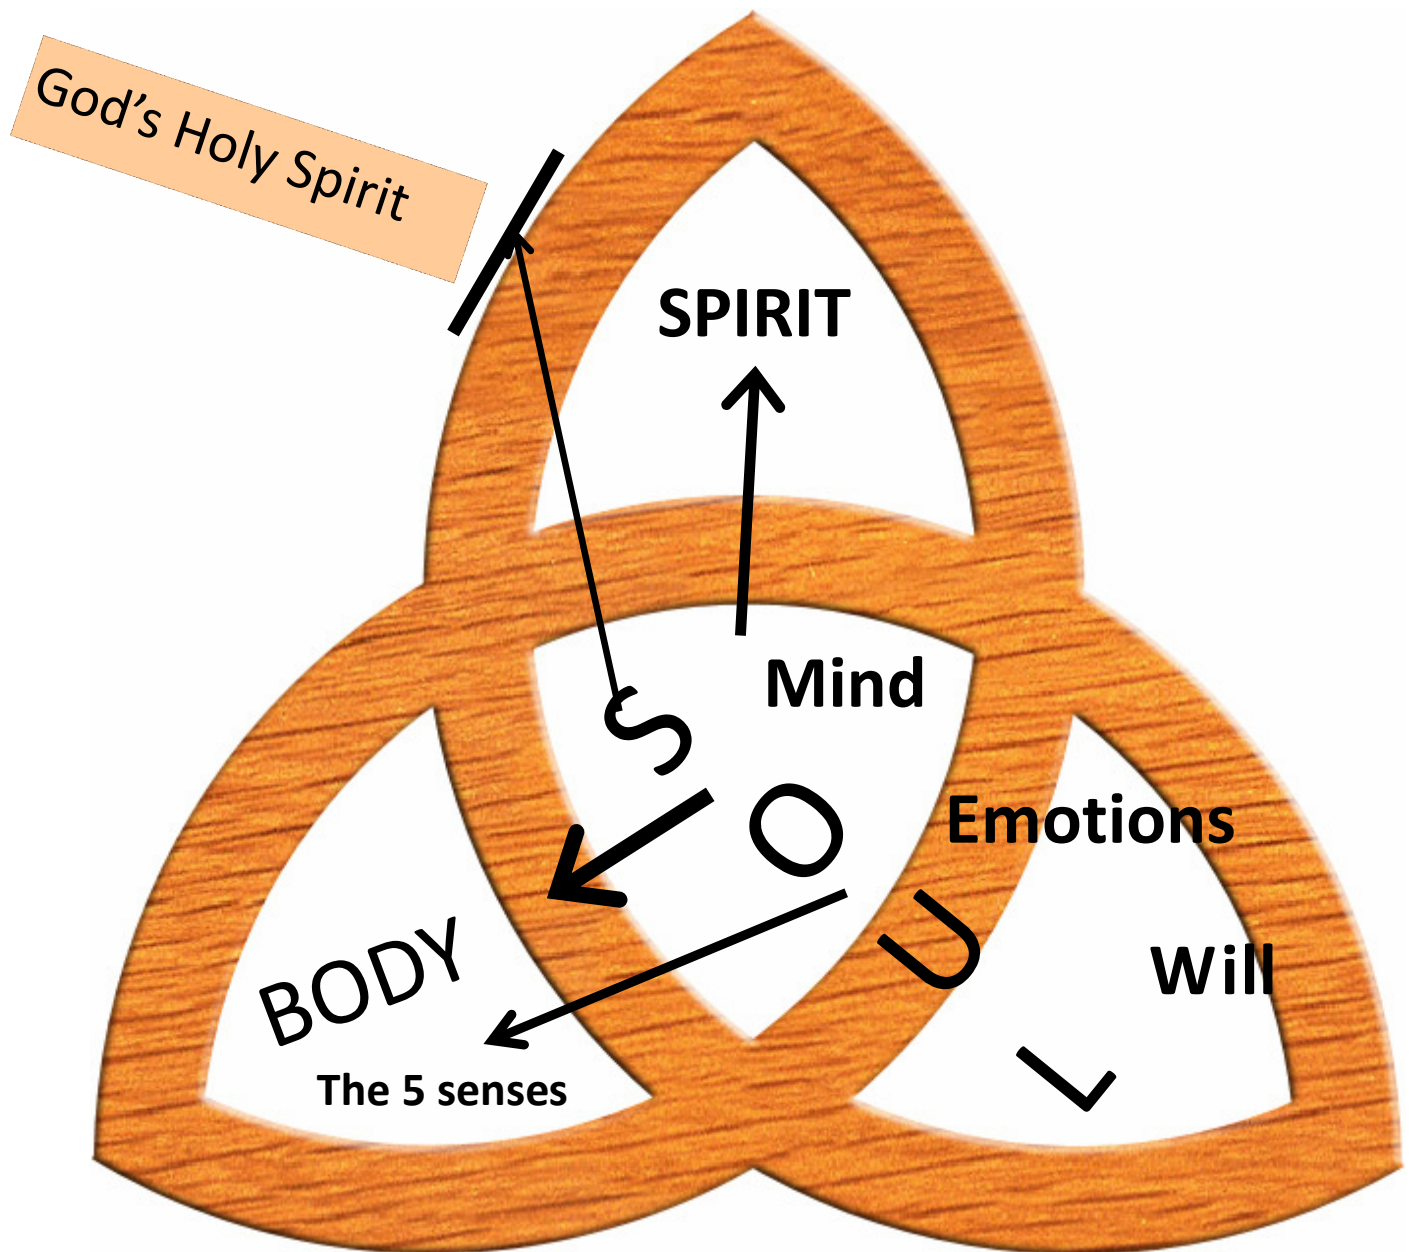

Made in God's image

Body
developing

Soul
developing

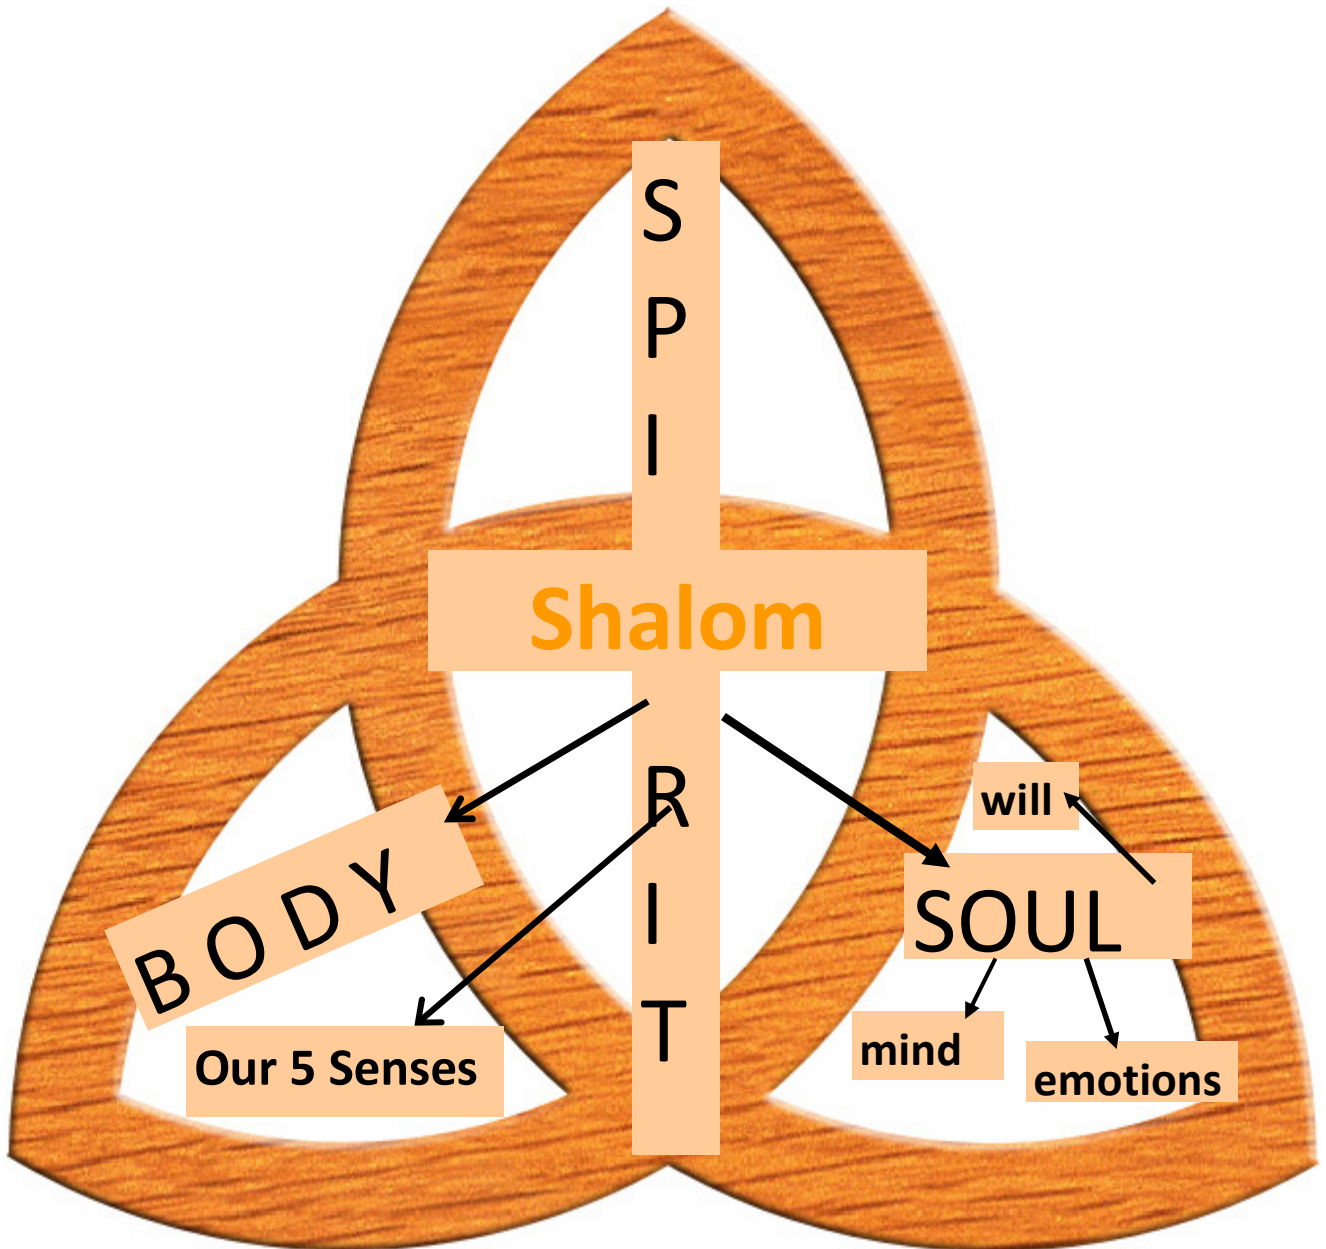

2. The soul ruling . . .

When the senses have been hijacked the triquetra looks rather like this. The will, the mind and the emotions have pushed out the spirit from that central place and the soul is now the driver. It demands to have it's needs met regardless of the cost to the individual.

3. Living in the Spirit

Now God's spirit and our spirit are working together to bring our whole being into harmony.
